For new volunteers

Can I bring my dog or other pet?

Pets are not allowed at PCTA's volunteer projects and events. There are swinging tools and moving objects during many volunteer projects. Pets can be a significant distraction, at risk of injury, and a safety hazard for others. In addition, while your pet may be adorable and well-behaved, not everyone is comfortable around pets.

What is the alcohol and marijuana policy?

PCTA does not provide alcohol on projects. If a volunteer decides to bring and consume alcohol, they need to do so in moderation and outside the designated work hours. Volunteers are not allowed to bring alcohol when projects led by corps crew partners.

Possession or use of marijuana is prohibited at all times on PCTA volunteer projects. Although certain states have legalized the medical and/or recreational use of marijuana, it remains illegal to possess marijuana on all federal lands – even within states that allow it; the federal government can prosecute people who are otherwise protected under state laws.
